

Our Fees

For an individual portfolio Dream Capital charges a fee based on percentage of the clients asset under management.

5,000,000 or less investable assets the fee is 1.00%

5,000,001 or more investable assets the fee is .60

Our fees are negotiable. Fees may be negotiable based on historical relationship, account size, types of assets to be managed, service requirements, and other factors.
